الواجهة الشرقية

A man in a blue and white checkered short-sleeved shirt and light-colored trousers stands in the center of the room. He is pointing with a thin stick towards the architectural drawings on the wall. He has a watch on his left wrist and is looking towards the audience.

A group of about seven people, mostly men, are standing and listening to the presenter. They are dressed in casual to semi-formal attire, including button-down shirts and trousers. One man in the foreground has his arms crossed, while others have their hands in their pockets or are looking towards the presenter.

A man in a patterned shirt with green, yellow, and white patches is seen from the back, sitting in the foreground. He is looking towards the presenter and the drawings on the wall.

A man in a grey suit jacket is also seen from the back, sitting in the foreground. He is holding a pen and a notepad, appearing to be taking notes during the presentation.
